Being a **GAINOR** temporary means you will have a variety of exciting and challenging assignments- all at the right pace- *yours*. You set the schedule...work as long as and as often as you like and still enjoy benefits and paid vacations.

However you decide to work- for a few days, a month, or longer, we are confident that you will enjoy being part of our family.

HOW TO GO ABOUT GETTING AN ASSIGNMENT:

Please let your counselor know when and how long you will be available and the best way to reach you.

Specify when you would prefer to work: How long and how often. We'll do our best to accommodate your schedule.

When we have an assignment, we will call and inform you of the location, hours, hourly pay rate, length of assignment and any other details that will help you get off to a good start.

According to your schedule please call your counselor the day before you wish to work.
